Dear Sir/Madam

I would very much like to thank you for your kind donation of £500.00 which you made recently to Claire House and I would also like to give you an idea of how your donation makes a difference in the lives of the children and families we support.

I am a counsellor within the Family Support Team at Claire House. My role as a counsellor means that I provide 1:1 and group support to the children and families who come to Claire House. I truly feel honoured to do what I do: supporting families at such a difficult time in their lives.

My team and I are responsible for arranging a number of social events for the parents of children who attend Claire House. These could be coffee mornings, a meal or special 'pamper' style evenings. These events are so important for parents in terms of offering them a piece of 'normal' life, even if only for a few hours. Not only does it help them to build up really important support networks, it provides mums and dads with the opportunity to socialise with other parents who understand how tough life can get after a bereavement. Such lovely events can only take place because of donations from people like you.

I would like to say a huge thank you again for your donation which allows us to continue supporting children and their families when they need it the most.

Best wishes,

Rachael Hogg
